

JOB SEARCH WORKSHOPS (JSW)

Effective way to learn about job searching in Canada!

Develop your own job search action plan that will show you what steps to take to achieve your ultimate employment goal

Services include:

- Thorough **needs assessment** by trained Assessors
- **1-on-1 job search coaching** and pre-employment **workshops** that will help you attain the knowledge and skills to better understand job search strategies and Canadian business perspectives
- Welcoming and supportive learning in an interactive **computerized environment**
- **Specialists** who understand the job search needs of newcomers
- **Referrals** to relevant community programs and services

The JSW Program will enable you to answer the following questions.

- Do I know all of the methods to job search in Canada?
- How can I market myself to a company using a target resume and cover letter?
- Can I market myself to a company in an interview?
- Can I do this job where I live?
- Who do I need to meet and what are my next steps?

JSW Program is for:

- Landed Immigrants
- Convention Refugees
- Live in Caregivers

English level:

- LINC level 4 or higher

Additional Supports:

Public transportation tickets and Occasional Child Care may be available
